**6. Any other planning business**

A white storage unit has appeared on land behind 12a Lottage Road. Due to its raised position it can clearly be seen from the area around Turnpike. As it is within the curtilage of the dwelling and the use is likely to be ancillary, it is probably does not require planning permission. However, it is within the AONB and possibly the Conservation Area. It will be reported to enforcement at Wiltshire Council for them to investigate if there have been any breaches in planning regulations.

Wiltshire Council has now written to the owner of the land where the mobile home has appeared on Lottage Road. It was noted that a driveway has also now been installed on this same bit of land. This will be advised to the WC enforcement team.
