If you need help at this time, please contact Joanna on

☎07774 577736 or ☎540418
or hobartjc@btinternet.com

HELP OFFERED INCLUDES:

- Food and other deliveries/collections such as prescriptions
- Friendly phone call to check you're ok
- Dog walking
- and you can try us on other things too!

VOLUNTEERS:

If you would like to be added to, or subtracted from, the list of those who offered help in March/April, please contact Joanna (see above). We try to match people to minimise travel.

SHOP LOCAL:

The Crown and PO Café are offering take away services. The Co-op has daily chilled deliveries. The PO Stores take daily orders for bread, fresh fruit and veg boxes from Fisher of Newbury, and meat from Sumblers in Marlborough.

KEEP YOUR DISTANCE:

Even with changes as to how many people can meet we should remain 2 metres (6ft 6 in) apart at all times. This includes on our own property if we are meeting the allowed number of people from outside your household.

STAY AT HOME:

Only go out for essential purposes, which includes exercise.

IF SELF ISOLATING AND LIVING WITH SOMEONE:

Make sure you follow the NHS advice you have been given.

By working together and keeping each other safe, we will become a better and stronger community. Let's do this!
